Plan Your Lesson

__OOK

Capture the audience's attention from the very beginning!
(Story, Quote, Question, Sneak Peak)

__OOK

What's the big idea? What are the points? Be extraordinary!

__OOK

Know, feel, respond. Engage the class in the learning!

__OOK

Definitive call to action. Set them up for success!

Clarity Matters

Present Your Message

M__

Introduce a dilemma or problem that you are currently seeing or facing.
Establish your common ground with your audience.
Let them know what you are talking about.
Establish relationship so they believe and trust what you are about to say.

W__

Find common ground around the same or a similar dilemma.
Assure the audience this is a relevant topic.
Allow them to believe you identify with them.

G__

Transition to what God has said about this topic. (You have studied!)
Through scripture, shine fresh light or perspective on the dilemma.

Y__

Challenge the audience to act on what they just heard.
Counter their objections, preconceived thoughts, faulty rationale
Give them tools to change and apply this teaching to their lives.

W__

Close with several statements about what could happen if everyone embraced this specific truth.
Inspire them to put this into practice in their lives.
Pray for the spirit to seal the message and thwart the enemy.

Be Extraordinary
